November 13, 2015

Dear Station Manager:

Please be advised that the Pataki for President Campaign, under provisions of the Communication Act of 1934, Section 73.1941 [47 CFR §73.1941] is seeking equal opportunity for comparable time to that given to Donald Trump in his appearance on Saturday Night Live — twelve minutes and five seconds.

As you are aware, such request is consistent with the November 7th Notice filed by WNBC4 New York and copied below.

Notice Required by Section 73.1943 of the Rules of the Federal Communications Commission: Donald Trump, a candidate for the Republican nomination for President in the 2016 national election, appeared without charge on NBC's "Saturday Night Live" for a total period of 12:05 (12 minutes and 5 seconds) commencing at 11:39:11 PM ET on November 7 and ending at 1:01:01AM ET on November 8, 2015. Station WNBC New York, NY, is affiliated with the NBC Television Network and broadcast the November 7 episode of "Saturday Night Live," including the segments in which Mr. Trump appeared.

I look forward to hearing from you to arrange details of comparable time.

Sincerely,

David M. Catalfamo
Communications Director
