**SPECIAL BOND ELECTION**

**OFFICIAL BALLOT FOR BRIGHAM CITY, UTAH**

**SPECIAL BOND ELECTION**

November 8, 2016

Mary Kate Christensen
City Recorder, Brigham City, Utah

**BOND PROPOSITION A**

Shall Brigham City, Utah, be authorized to issue General Obligation Bonds in a principal amount not to exceed $26,000,000 and to mature in no more than 21 years from the date or dates of issuance of such bonds for the purpose of acquiring, constructing and equipping parks, community and recreational facilities and related facilities, and, to the extent necessary, for providing moneys for the refunding of general obligation bonds?

If the Bonds are issued as planned, without regard to the taxes currently levied for outstanding bonds that will reduce over time, an annual property tax to pay debt service on the proposed bonds will be required over a period of 20 years in the estimated amount of $215.35 per year on a $160,000 primary residence and in the estimated amount of $391.54 per year on a business or secondary residence having the same value.

However, the City has other outstanding bonds for which a tax decrease would occur upon the retirement of such bonds, which may not occur if the proposed bonds are issued. The outstanding bonds reduce over time such that the incremental property tax due to the issuance of the proposed bonds (after the full $26,000,000 of bonds is issued) is expected to have a net increase from current annual property tax levels of approximately $148.93 per year on a $160,000 primary residence and approximately $270.78 per year on a business or secondary residence having the same value.

The foregoing information is only an estimate and is not a limit on the amount of taxes that the City may be required to levy to pay debt service on the bonds. The City is obligated to levy taxes to the extent provided by law in order to pay the bonds. The amounts are based on various assumptions and estimates, including estimated debt service on the bonds and taxable values of property in the City.
