If a primary election was held for an office, the two candidates who received the most votes in the Primary advanced to the General Election.

READ: Each candidate for President and Vice President is the official nominee of a political party. For other partisan offices, each candidate may state a political party that he or she prefers. A candidate’s preference does not imply that the candidate is nominated or endorsed by the party, or that the party approves of or associates with that candidate.

Vote for one choice in each contest.
