PUBLIC QUESTIONS

Sales Tax to Support Transportation

To pay for road improvements and other transportation purposes, shall Peoria County be authorized to impose an increase on its share of local sales taxes by ¼ % for a period not to exceed 15 years? This would mean that a consumer would pay an additional 25¢ in sales tax for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of 15 years, if not terminated earlier by a vote of the county board.
